

## **REMARKS**

Claims 1-20 are pending.

'Use' claim 20 has been cancelled herein.

The claims have been amended to remove multiple dependencies.

The front page of the application has been amended to reflect the underlying priority documents, and incorporate the Sequence Listing that was originally submitted (in electronic form only under Section 801(a)(i)) in PCT/EP2004/014170, filed 13 December 2004.

A copy of the electronic Sequence Listing, as originally submitted (in electronic form only under Section 801(a)(i)) in PCT/EP2004/014170, filed 13 December 2004, has been provided, along with corresponding CRF copy, and along with a Statement that the provided Sequence Listing and CRF are identical, and are further identical to the originally filed electronic Sequence Listing.

No new matter has been added.

Respectfully submitted,
